

MAY 8, 2018

WORKSHOP:
**BEHAVIORAL
INTERVIEWING**

Proven approach to effective candidate selection

Past behavior is an excellent indicator of future behavior. Learn how to make better hiring decisions by using behavioral interviewing techniques. We'll cover resume review, interview format, behavior-based interview questions, avoiding illegal questions, evaluating candidate responses and much more. Ideal for new managers or those that want to enhance their interview skills.

Bonus Materials – Participants will receive an Interview Guide which includes a sample interview format and behavior-based interview questions you can use in your next interview.

Full Day Workshop –
9:00am-4:00pm with
Lunch Provided
